

**International Conference on
Traditional Medicine and Ethnobotany
&
4th International Conference on
Oil, Gas & Petrochemistry**

September 23-24, 2019 Kuala Lumpur, Malaysia

Tentative Program

09:00-09:30	Registrations
Day 1 - September 23, 2019	
09:30-09:45	Opening Ceremony
Keynote Forum	
09:45-10:15	Title: Effect of Recycled Sour Water to Refinery Asset's Integrity Azzura Ismail, Universiti Tun Hussein Onn Malaysia (UTHM), Malaysia
10:15-10:45	Title: Freeze Concentration: Potential Application in the Oil and Gas Industry Mazura Jusoh, Universiti Teknologi Malaysia, Malaysia
Coffee Break: 10:45-11:00	
11:00-11:30	Title: Ionic Liquids as High Performance Lubricant: A New Alternative to Oil Satyen Saha, Banaras Hindu University, India

Session 1	Advanced Oil and Gas Technologies & Oil and Gas Production Operations & Hydrocarbon Reservoirs and Reservoir Fluids (Dynamic Modeling) & Sustainable and Renewable Energy
Session Chair	
11:30-11:50	Title: Morphological Changes in Rutile Reduced by Liquid Petroleum Gas Sheikh Abdul Rezan, Universiti Sains Malaysia, Malaysia
11:50-12:10	Title: Low Salinity Waterflooding in Tertiary Recovery Mode in a part of Geleki Oil Field of Upper Assam Basin, India Nayan Medhi, Dibrugarh University, India
12:10-12:30	Title: Experimental Study on LoSal Enhanced Oil Recovery Mechanisms in a part of an Oil Field of Upper Assam Basin, India Minati Das, Dibrugarh University, India
12:30-12:50	Title: Mathematical Modelling and Development of a Computer Tool for Laboratory Methane Gas Production from Hydrates by Depressurization Method Luis Alejandro Torres Doria, Universidad Industrial de Santander, Colombia
12:50-13:10	Title: Electricity Energy Mix Changes in Portugal to Comply with the Electric Vehicles Penetration of RNC2050 Nuno Domingues, ISEL-ADEM, Portugal
Lunch Break: 13:10-14:00	

Session 2	Identification and Extraction of Medicinal plants & Natural Products and Natural Remedies & Ayurveda and Naturopathy & Herbal Medicine & Phytochemistry and Pharmacognosy & Unani Medicine
Session Chair	
Session Chair	
14:00 -14:20	Title: Ethnobotanical Study of Medicinal Plants for Treating Musculoskeletal Disorders of Skaw Karens at Ban Wa Do Kro in Tak Province, Thailand Rapeeporn Kantasrila, Chiang Mai University, Thailand

14:20-14:40	Title: Integration of Herbal Medicine in the National Health System in Solomon Islands Prem Prakash Rai, Solomon Islands National University, Solomon Islands
14:40-15:00	Title : Global Opportunities in Ayurveda Kavita Indapurkar, Bharati Vidyapeeth Deemed University, India
15:00-15:20	Title: Phytochemical and Pharmacological Investigation of <i>Ocimum canum</i> Alok Kumar Dash, Veer Bahadur Singh Purvanchal University, India
15:20-15:40	Title: Herbal Remedies of Diabetics Jhansee Mishra, Veer Bahadur Singh Purvanchal University, India
15:40-16:00	Title: Unani System of Medicine Introduction and Challenges Mohammad Shareef Mohammad Nasmeeer, University of Colombo, Sri Lanka
16:00-16:20	Title: Elemental Identification and Estimation of Natural Pigments by ICP-AVIO Technique Shrikrishna M. Nandanwadkar, KLE College of Pharmacy, India
Coffee Break: 16:20-16:35	
TIME TBA	Title: Anti-Hepatitis C Virus Activity in <i>Eclipta Alba</i> : Identification of Active Phytochemicals Virendra N. Pandey, Rutgers University, USA
TIME TBA	Title: War on Terror Cells: Novel Sources of Antimicrobials Naveed Ahmed Khan, Sunway University, Malaysia
TIME TBA	Title: Revitalization of Unani System of Medicine in Global Health Care Mohammed Junaid Siddiqui, Jamia Hamdard University, India
TIME TBA	Title: Trypanocidal Potential of <i>Eucalyptus Camaldulensis</i> Bark and Root and its Phytochemical Analysis Peter Shaba, College of Agriculture, Nigeria
TIME TBA	Title: Complete Remission of T2DM by Ayurveda Medication: Case Series Ashok Kumar Panda, Central Ayurveda Research Institute of Hepatobiliary Disorders, India
TIME TBA	Title: Development of Men's Formula for Prostate Health Raphael Nyarkotey Obu, Nyarkotey College of Holistic Medicine, Ghana

Day 2 - September 24, 2019	
Keynote Forum	
09:30-10:00	TBA: Systematic Approaches for Medicinal Plants Research from Traditional Knowledge to High Value Herbal Products Nor Azah Mohamad Ali, Forest Research Institute, Malaysia
Coffee Break: 10:00-10:15	
Session 3	Acupuncture and Chiropractic & Traditional Chinese, Japanese and Korean Medicine & Traditional African Medicine & Alternative Medicine & Ethnopharmacology and Complementary Medicine & Holistic Medicine
Session Chair	
10:15-10:35	Title: Effect of Electroacupuncture on Neuropathic Pain in Rats with CCI Model Ching-Liang Hsieh, China Medical University, Taiwan

10:35-10:55	Title: The Eight Potencies of Tibetan Medicine as a Method to Deepen the Understanding of the Efficacy of Traditional Chinese Medicine Substances
	Florian Ploberger, Austrian Educational Society for Traditional Chinese Medicine, Austria
10:55-11:15	Title: Treating Age-Related Macular Degeneration (AMD) with ECIWO Acupuncture
	Aud Aardal, MOXANA Acupuncture Centre, Norway
11:15-11:35	Title: Serum Metabolites Analysis for Diagnosis of Myasthenia Gravis
	Sai Ming Ngai, The Chinese University of Hong Kong, Hong Kong
11:35-11:55	Title: Method Development and Validation of Traditional Herbal Medicines by HP-TLC
	Amruta Balekundri, KLE College of Pharmacy, India
TIME TBA	Title: The Clinical and Experimental Study on Acupuncture for Children with Cerebral Palsy
	Zhenhuan Liu, Guangzhou University of Traditional Chinese Medicine, China
TIME TBA	Title: Holistic Fitness Saves the Human Species in a Robotic Era
	Julie Rammal, George Washington University, USA
TIME TBA	Title: The Efficacy of the Psychological Action Rehabilitation on Music Therapy Combined with Acupuncture Therapy for Children with Autism Spectrum Disorder
	Zhenhuan Liu, Guangzhou University of Traditional Chinese Medicine, China
Lunch Break: 12:30-14:00	
Speaker Opportunities Available	

Poster Presentations	
Poster Judge	TBA
P01	Title: Characterization of Chemical Functional Groups and Different Type of Organic Matters by FTIR-ATR Analyses
	Chen Yen Yu, National Taiwan Ocean University, Taiwan
P02	Chromatography Spectroscopic Techniques
	Shrikrishna M. Nandanwadkar, KLE College of Pharmacy, India
P03	Title: HP-TLC Method Development and Validation of Riluzole Nanosuspension
	Chaitrali Bidikar, KLE College of Pharmacy, India
P04	Title: King of All Fruit: Assessment of Durian Antioxidant and Cytoprotective Properties
	Gabriella Tyler, Georgia Gwinnett College, USA
P05	Title: Signal Analysis of the Yuan Point in Patients with IBS- Acupoint Diagnosis Technology for Intelligent Acupuncture Robot
	Tiancheng Xu, Nanjing University of Chinese Medicine, China
P06	Title: The Relationship between the Spasticity-Related Pain and the Quality of Life about the Cerebral Palsy in China
	Zhenhuan Liu, Guangzhou University of Traditional Chinese Medicine, China

P07	Title: Therapeutic Activity of HPLC Purified Pure Compound Lantadene D from Lantana camara Leaves against Trypanosoma evansi
	Peter Shaba, College of Agriculture, Nigeria
Poster Opportunities Available
